OTTAWA, ON

Greetings from Member of Parliament, Mr. Patrick Brown on Thaalam 2014

I would like to extend my warmest regards to all attendees and talented teams participating in Thaalam 2014: The Ultimate Gaana Competition. I commend the Arts and Culture Council of CTYA for organizing this tremendously successful annual event.

This event continues to build recognition and support each year as it displays the creative abilities of many Tamil students who remain truly passionate about dance. I applaud the Canadian Tamil Youth Alliance for continuing to foster the art of dance among our youth.

Please accept my best wishes for an enjoyable evening.

Kindest regards,
