

Premier of Ontario - Première ministre de l'Ontario

December 2013

## **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the Top Talents Awards Gala of the Canadian Tamil Youth Alliance (CTYA).

The success of Ontario's young people is vital to the future of our province. Education — inside and outside the classroom — is the most important investment we can make in our youth. By providing Tamil Canadian youth with opportunities to fulfill their potential, give back to the community and cultivate their leadership skills, Canadian Tamil Youth Alliance is helping create the next generation of thinkers, community builders and role models.

I commend everyone in attendance for your support of CTYA's laudable mission. Take pride in knowing that your generosity is helping empower your community's youth. I would also like to thank the dedicated organizers and volunteers who have devoted time and effort to making this event possible.

Finally, I wish to congratulate the remarkable young people receiving these awards. I wish you every success as you set your sights on higher education and future accomplishments.

Please accept my best wishes for an inspiring evening.
